

Growing With Our Clients Best Buy

Becknell, along with its partner Realty Income Corporation, is proud to announce that it was selected by one of the leading U.S. based electronics retailer to construct a nearly 750,000 square-foot distribution facility in south Cleveland. This is Becknell's second project with this top-tier company. In 2017, Becknell constructed a 250,000 square-foot facility for the client in Aurora, CO.

This building encompasses more than 130 docks doors, over 350 trailer parking spaces and was completed in the third quarter 2021. Becknell Industrial continues to pride itself on its ability to assist and accommodate its clients in expanding their national footprint.
