## KeHE Distributors Continues Expansion by Opening Doors to New Distribution Center in Goodyear, Arizona

KeHE Distributors, one of the largest fresh, natural, organic and specialty food distributors in the nation has selected Becknell Industrial to assist in expanding their national footprint to the greater Phoenix market. The new center will support more than 270 jobs in the Greater Phoenix area.

Becknell, along with its partner Lexington Realty Trust, has completed KeHE's state-of-the-art 470,000 SF tri-temp build-to-suit facility located in Goodyear, AZ. Expandable by 150,000 SF, this facility contains freezer, cooler and dry storage space and was completed in the third quarter 2021.

A big thank you to Fred Regnery and Rob Martensen of Colliers for their assistance with the deal.
