

Matt Kelly
Senior Vice President - Construction

With more than 10 years of construction experience, Matt Kelly oversees construction of multiple projects with more than 100,000 square feet. He joined the Becknell Industrial team in 2012 and has since constructed 5 buildings.

Matt has experience coordinating project design and construction with architects, engineers and construction managers. He accomplishes project objectives by planning and evaluating project activities including managing the project efficiently and effectively.

At the University of Illinois at Urbana-Champaign, Matt received his Bachelors of Science in Architectural Studies, Masters in Architecture, and focus in Business and Construction Management.
